THE GMAT® INTERNATIONAL EXAM IS THE BETTER WAY TO SHOW TO YOUR FUTURE EMPLOYERS YOUR SKILLS ! IT PERMITS TO EVALUATES YOUR VERBAL, ANALYTICAL AND INTEGRATED REASONING.

The Graduate Management Admission Test is the main test in the Becoming a Trader CIT Program, it has to be validated by the end of the academical year in order to obtain the trading school diploma.

It exists since mid XXth century and allows hundreds of management, business or trading schools to compare MBA candidates potential.

The GMAT® test doesn't evaluate motivation or involvment but only skills in technical subjects : management, human resources, economics...

THE EVALUATION SCALE OF THE CALIFORNIAN INSTITUTE OF TRADING

The official notation scale of the GMAT® test is going from 200 points to 800, the mark is given in a 2-week delay after the pass of the test. Each school using it has developped its criteria based on this scale. The Californian Institute of Trading proceeds as the most prestigious MBA like Harvard, with a minimum mark of 650 points to declare the test passed successfully .
